

Home Builders Care Foundation

The official charity of the Maryland Building Industry Association

The mission of the Home Builders Care Foundation is to give back by utilizing the skills and resources of building industry members on shelter-related construction for the homeless and others at-risk.

Last year, our foundation undertook 6 shelter projects that provided supportive housing to over 60 persons in crisis and 4 outreach projects that served an additional 600 individuals.

With each of our shelter-related projects - either large or small - we have been making a positive impact in our Maryland communities.

Give us a commitment of time, materials & resources in 2017. Pledge to help support a future project.

Please keep Home Builders Care in your long-term giving plans and consider the value of your contribution in line with your annual MBIA membership dues. There are many ways to give both personally and professionally. I am able to contribute:

_____ Cash Donation/Sponsorship \$500 \$1000 \$2500 \$5000 other _____

_____ Project Management / Expertise _____ Materials, Labor & Supplies

_____ Auction or Prize Items _____ Help with an Event or a Service Project

Please describe your in-kind donation (s) and availability

HBCF is a 501(c) (3) non-profit organization. All contributions are tax-deductible to the fullest extent allowed by law. Financial statements are available upon request. Information submitted to the State of Maryland under the Maryland Charitable Solicitations Act are available from the Office of the Secretary of State, State House, Annapolis, MD 21401 for the cost of copying and postage.

All donations valued \$1,000+ are part of our Annual Honor Roll and receive top recognition benefits. Please see our website www.hbcf.org for more information or to pay online by credit card. Checks payable to the Home Builders Care Foundation.

Proud to bear the Seal of Excellence
